# NORTHERN CAPE

The Northern Cape is the largest province with a landmass of 361,830 km<sup>2</sup> and covering approximately 30% of South Africa. However, it has the smallest population approximately 1.8% of population in South Africa.

The province is divided into 5 district municipalities namely Frances Baard, Pixley ka Seme, Namakwa, ZF MgCawu and John Toalo Gaetsewe.

## GARIES

### BACKGROUND

Garies is a small agricultural centre situated in South Africa's Northern Cape province about 110 km south of Springbok, the chief town of the Namaqualand district. Current population approximately 1500. The Letterklip provincial heritage site is situated just west of town

# GARIES NEEDS

Person responsible: Nicky Visser

Phone number: 027 652 2421
